BEAUTY & WELLNESS

## SPECIAL OFFER

Let us introduce you to  
**Sound Lounge/Vibroacoustic Therapy.**

It's located in our new meditation room where you can instantly soothe your busy mind and entire body using sound frequencies.

VAT is the combination of specifically designed music and vibrations that will put you into a very meditative space, and calm your nervous system.

This therapy will melt away your stress, reduce anxieties, and work against restlessness.

**Call us for more info about this  
fascinating new treatment!
